Reception of invoices via e-mail by the scanning service

Invoices can be sent as email attachment in PDF format

PDF format invoices by email: **02011969@scan.netvisor.fi**

- Send the invoice as email attachment
- You can send multiple invoices in a single email as long each invoice with its attachment pages are in a separate PDF-file. Each file must have a different name.
- If the invoice contains attachment pages, they must be included in the same file with the actual invoice.
- A single e-mail must not exceed 5Mb
- PDF files must be genuine PDF files (PDF version 1.3 or newer)
- PDF invoices must not be locked or encrypted with a password
- Document size must not exceed 210 x 297 mm
- Valid characters for the attachment name are common signs, a-z, A-Z, 0-9, please do not use special characters or spaces when you name the attachments.

Scanning service for paper invoices

Both the invoice and the envelope must contain complete scanning address information to ensure quick and reliable delivery:

Gramex äänitemusiikin tekijänoikeusjärjestö ry
AIFI75698
P.O. Box 110
FI-01301 VANTAA

- Please do not send any other material except invoices to scan address. All material are read automatically to our accounts payable system and other material (for example receipts, business gifts, credit cards or entrance tickets) does not reach their recipient through this address.
- To achieve the best outcome for automatically identified invoices please use only black text on a white background.
- While using scanning service please do not use rivets.
