BACKGROUND MUSIC SERVICE PROVIDERS

Sports centers: gyms and instructed exercise

For dubbing and using of phonograms in background music services that are provided to sport centers in Finland.

Remuneration

Tariff payable is determined on the basis of the total number of locations operated by the background music operator and the gross income that the operator charges for its service.

Tariff:

Number of locations	% of gross income per location / month	Minimum € / location / month
1 - 100 101 -	15 12	25,09 21,67

Applicable VAT (value-added tax) shall be added to the prices.

Locations refers to premises administered by the operator's customer. Separate premises, which are located at the same location, and where distinctive music (different music zones) is performed, shall be regarded as independent and separately invoiced locations.

Gross income refers to the monthly rent invoiced or a corresponding different compensation disbursed to the operator (VAT excluded) for the background music service as a whole, such as e.g. for music content, necessary devices and software, and normal maintenance and updating.

Reporting and invoicing:

Details on gross income and the number of locations shall be provided monthly and in accordance with separate reporting instructions. Remuneration shall be invoiced on the basis of submitted reports.

Other terms:

More specific terms governing the activity are included in the Background music service agreement and its appendices.
