

BACKGROUND MUSIC SERVICE PROVIDERS

Telephone switchboard music service providers

For dubbing and using of phonograms in background music services that are provided to telephone switchboards in Finland.

Remuneration

Tariff payable is determined on the basis of the total number of locations operated by the background music operator. Tariff:

Number of locations	€/locations/month
1-50	18,56
51-150	15,89
151-500	13,30
501-	11,53

Applicable VAT (value-added tax) shall be added to the prices.

Location refers to premises administered by the operator's customer in a provided location.

Reporting and invoicing:

Details on gross income and the number of locations shall be provided monthly and in accordance with separate reporting instructions. Remuneration shall be invoiced on the basis of submitted reports.

Other terms:

More specific terms governing the activity are included in the Background music service agreement and its appendices.
